It is my Department's intention to provide the school to which the Deputy refers with a new building.

The progression of all large scale building projects, including this project, from initial design stage through to construction phase will be considered in the context of my Department's multi-annual School Building and Modernisation Programme. However, in light of current competing demands on the capital budget of the Department, it is not possible to give an indicative timeframe for the progression of the project at this time.
