**Re: Long Term Projected Staffing
for Gaelscoil Philib Barún, Roll No 19885B**

Dear Mr. Breatnach,

As you are aware the school's project was included on the list announced by the Minister on 24th January 2011 to commence the process of appointing a design team.

Following a detailed assessment of the demographic trends for the Tramore area, the Schools Capital Appraisal Section has determined a projected long term staffing for Gaelscoil Philib Barún as follows:

**Administrative Principal plus 8 mainstream assistants plus 1 learning support/
resource with provision to grow to a twelve teacher school in the future.**

For your information please find enclosed a Schedule of Accommodation for an 8 classroom school.

Please note the Department will be in contact shortly with a view to organising the Site Visit.

Kind Regards,

Val Lynam
Executive Officer
