Seirbhís Bus

"My mum drives me to school. She says it isn't safe to walk with all the cars."

Táimid ag súil go rachadh níos mó daoine ar an mbus. Ma bhionn éileamh cuifear rith bus eile ann. Más suim leat an bus áitiúil a úsáid cuir scéal go dtí an oifig le ainm rang agus seoladh do pháiste. Cuirfimid an t-eolas ar aghaidh agus tá súil againn go ndeanfar freastal ar níos mó daoine.

If you are currently not using the private bus service to the school and would like to do so please give your child's details to Suzanne in the office and we hope that demand will warrant another bus route. We encourage as many pupils as possible to use this service or alternatively to walk to school. As the school has grown current parking facilities cannot cope with the demand. This is a practical solution to a problem which will only get worse. And its GREENER

An Buiséad agus ár Scoil

Ár Scoil

In ainneoin na ciorraithe sa bhuiséad ní bheidh aon impleachtaí foirne don scoil seo. Ní raibh aon laghdú ar an gcoibhneas i nGaelscoileanna le cúpla bliain anuas, rud nach raibh mínte riamh, ach de réir na socruithe is déanaí de bharr an bhuiséid níl aon droch nuacht d'ár scoil.

Brian Ó Líneachán ag gearradh siar. A lán damáiste déanta don chóras bunoidreachais

Toisc nach ndearnadh riamh dul chun cinn maidir le foirgneamh buan don ghaelscoil sa Trá Mhór, d'fhéadfadh buiséad mórthionscnaimh tógála na Roinne Oideachais a bheith ciorraithe go náid agus ní chuirfeadh sé as dóibh siúd nár leag mcos riamh I dtír tairngithe na mórthionscnaimh tógála.

Despite recent budget cutbacks there will not be any changes to staffing levels in this school. Recent improvements in pupil teacher ratios have not applied to Gaelscoileanna like ourselves, therefore a return to 2006 figures will effectively mean no change for Gaelscoil Philib Barún. As no progress has ever been made with regard to our new building the Education building budget could be cut to zero and it would make no difference to those of us who have never been permitted entry to the promised land of building projects

The cutbacks will mean that we will lose the book grant and there will be difficulties

with substitute cover from January next. The following are extracts from press releases from Gaelscoileanna our national body.

Ní bheidh deontas do leabhair ar fáil áfach an bhliain seo chugainn mar gheall nach bhfuil ach scoileanna aitheanta faoi mhíbhuntáiste chun maoiniú i leith leabhair a fháil. Is cúis díomá dúinn é go bhfuil páistí óga is mó ag íoc as an gcúlú eacnaimíochta.

Gaelscoileanna

Seo leanas giotáí as preas ráitis Gaelscoileanna.

Ar an méadú i líon na ndaltaí sna ranganna

"Is gníomh domhínithe agus gearradharcach é seo. Beidh GAELSCOILEANNA TEO., i gcomhpháirt leis na páirtneirí oideachais go léir ag impí ar an rialtas athbhreithniú a dhéanamh ar an gcinneadh seo. Leis na blianta fada, is le dua agus le hallas a throidemar chun líon na ndaltaí sna ranganna a íslíú. Tá sé seo riachtanach chun oideachas d'ardchaighdeán a sholáthar agus léiríonn sé an bhéim a chuireann an tsochaí ar luach an oideachais don chéad ghlúin eile. Tá na héachtaí a bhaineann amach caillte anois. Tá ceann de na cóimheasa daltaí le múinteoir is measa san Eoraip againn cheana féin. Admhaíonn an rialtas go bhfuil sé seo do-ghlactha, ach ní ghníomhaíonn siad dá réir.

The Budget and our school continued

This is an inexplicable and short sighted

..move that we, together with all education partners, will be urging the government to reconsider. Over the past years we have struggled for every small victory in reducing class sizes. This is crucial to the effective education of a child and is a barometer of just how seriously a society values the education of its next generation. Now we have had all those gains swept away. We already have one of the worst pupil teacher ratios in Europe. Government has long claimed to recognise this as unacceptable but has now acted to make a bad situation worse.

On school accommodation /Ar chóiríocht scoile

"Oibríonn geal le 60 faoin gcéad de scoileanna lán-Ghaeilge i gcóiríocht shealadach de chineál éigin. Tá sé do-ghlactha i bhfianaise an saibhris a carnadh sa tír le blianta beaga anuas. Bhí sé de cheart leas a bhaint as toil soiléir an rialtais chun cabhrú leis an earnáil tógála chun cur le cláracha tógála na scoileanna nua.

Cailleadh deis iontach blianta fada d'espá pleanála a chur ina cheart. Leanfaimid comhairle an Aire an luach airgid is feara a lorg, ach le líon daltaí ag méadú ag ráta tapaigh, níor cheart go ngearrfaí an t-airgead sa chiste tógála scoile.

"Nearly 60 per cent of Gaelscoileanna are operating with some measure of temporary accommodation. This is unacceptable given the wealth that has been created in society over recent years. The government's expressed desire to help the construction industry should have been channelled to better effect into further expanding the schools building

programme. This is a major opportunity lost to right the wrongs of a previous lack of planning. We will, as the Minister suggests, seek best value but at a time when the school population is expanding at a rapid rate it is wrong that the funds available for the schools building programme will be reduced.
