Breis eolais ar http://ec.europa.eu/education/lifelong-learning-programme/doc84_en.htm

Part of a lifelong Learning programme, Comenius seeks to develop knowledge and understanding among young people and educational staff of the diversity of European cultures, languages and values. It focuses on the first phase of education from pre-school and primary to secondary schools. Over the next 2 years Gaelscoil Philib Barún will be participating in a Comenius project with four other European school. These schools are in Iceland, Germany, Wales and Turkey.
The title of this project is 'Respect; Think Globally, act Locally'. The focus is on developing an understanding of citizenship among students; making students aware that they make a difference in the world and helping them understand that respect is the pillar of communication.
During the first year the students will acquire knowledge of how important it is to respect oneself and from there on how important it is to respect family, friends and schoolmates. During the second project year the term respect will be expanded and the focus turned to how important it is for us to respect nature and the world we live in and that every little thing we do does make a difference to the environment.
The main objectives of this project are

- To understand what respect means and to realise that it is a basic pillar of communication regardless of where one comes from.
- To develop a sense of citizenship, Irish and European.

- To enable the children to show respect for the diversity of peoples and cultures and to realise the interdependent nature of the world.
- To develop the children's sense of responsibility in relation to their role in the world.

This project is linked closely with the SPHE (Social, Personal and Health Education) curriculum but the project aims to successfully integrate all of the subject areas.

Have your say on www.pilibbarun.com.

Ba bhrea linn éinne le tuairimi faoin bhfeachtas don bhfoirgneamh buan an deis athapú é seo a léiriú ar shuiomh idirlín na scoile. Bí ag blogail leat
Parents are encouraged to voice opinions on the school website re. the building campaign. Try blogging on www.pilibbarun.com
Here is a sample blog by James Mernin, a parent of a child in Naí Bheaga.

'By his own recent admission, the Minister for Education clearly has a whopping €386m of unspent funding at his disposal. More than enough to build a new school for Gaelscoil Philib Barún and for many, many others too.

However, for reasons known only to him and his department, our school is left languishing among 1,178 other schools awaiting major capital works. This is not only depressing (considering we've been asking for a permanent school for over 24 years) but also shocking when you consider how many other schools are in the same situation as we are.

The mere fact that €386m of budgeted money remains unspent is not only a crime against our children but also a crime against thousands of construction workers facing very tough and uncertain times at present. The Minister has confirmed that the money will indeed be spent but he did not say when, where or how.

The waiting continues…'

Beidh an siúlóid scoile againn ar an Luan an 19ú lá.
Gach bliain ó bhunaíodh an scoil 24 blian ó shin bíonn an tsiúlóid urraithe againn le airgead a bhailiú do chostaisí reatha na scoile.
Faigheann gach clann cárta agus iarrtar pé urraiocht gur féidir a bhailiú agus a chur isteach i gclúdach litreach leis an gcárta agus a sheoladh thar nais go oifig na scoile.

Iarrtar ar na daltaí urraíochta a fháil i measc a gclanna agus gan imeacht ó dhoras go doras. Is mór linn pé méid airgid gur féidir a bhailiú

The school walk will take place on Monday the 19th of October at 9.30 weather permitting
Every year since the foundation of the school a sponsored walk has been held to raise funds for the day to day running of the gaelscoil. Each family receives a sponsorship card and are asked to seek the support of family and friends for the school. Monies raised can be returned to the school in an envelope.

Bhuamar ár gcluiche deireannach sa chomórtas peile fé 13 an Luan seo caite i gCoill Mhic Thomáisín. Cluiche deacair a bhí ann leis dá fhoireann ar chomh chaighdeán. Le Zac Céitinn ag imirt go hiontach mar lánchúlaí choimeádadar buachaillí Choill Mhic Thomáisín amach agus iad go mór faoi bhrú sna nóiméadaí deireannacha.
Bhí orainn am breise a imirt le foireann buacach na rannóige a roghnú ach faraoir bhí ár n-imreoirí spianta agus bualadh sinne 1-3 go 0-0 sna deich nóiméad a imríodh
